5.2. Introduction

Master/ Development Plans provide the basis for Infrastructure provision, effective land use management and utilization, spatial growth management, enable project planning and urban management. In order to address this requirement, GIS- based Master/ Development Plan Formulation is to be taken up by the Town and Country Planning Department, Govt. of Uttarakhand, which is the state Nodal Agency for Master/ Development Plan in Uttarakhand state.

Accordingly, Town and Country Planning Department, Govt. of Uttarakhand proposes to undertake work in Uttarakhand for preparation of GIS Based Master/ Development Plans of following identified ULB Towns within the State. Refer to [Section 14](#) titled [Annexure 2- Cluster Information of Identified ULB Towns, for Formulation of GIS based Development/ Master Plan\(s\)](#) for more details.

Master Plan Formulation for Various ULB Towns in any given Cluster, have to be taken up by the Awardee Master Plan Consultant/ Successful Bidder, as per the Priority Sequence to be advised by the O/o the CTCP, TCPD- GoUK, at the time of issue of Offer Letter for Award of Work, by the Client/ Procurement Agency. Accordingly, the Intermediate Milestones and Deliverable linked Payment Schedule may also undergo some modifications to align with the **'PHASING of the ASSIGNMENT'**

5.2.1. Description of the Assignment

MINIMUM QUALITY of Outcome/ Deliverable Expectations of the TCPD- GoUK are aligned to the Design and Standards, Methodology and Procedure as outlined in the GIS based Master Plan Formulation under AMRUT Scheme of the Town and Country Planning Organization, Ministry of Housing and Urban Affairs, Government of India.

The major components of the assignment are:

5.2.1.1. Formulation of Master/ Development Plan

Formulation of Master/ Development Plan of Delineated Region, which includes the Urban Local Body along with Peripheral Areas (approx. up to 25% of the ULB Core Area) as per comments of TCPD- GoUK. **Very High-Resolution Satellite (VHRS)** Imagery and/ or Data will be self-procured by the Successful Bidder, hereafter referred as Master Plan Consultant (MPC), for preparing Large Scale Urban Base Map³ at 1: 4000 scale or better and the Large-Scale Urban Base Map will be vetted by the TCPD- GoUK, as per Applicable Provisions of Relevant Acts and Legislations of State of Uttarakhand. The Assignment includes (but is not limited to) Demand Assessment, Identification of Issues, Projected Requirements, Development Strategy and Draft Proposals on the GIS Base Map and Sector-Wise Data Analysis, to be done by the MPC.

5.2.1.2. Spatial Attribute Collection and Vetting of Base Maps

The MPC needs to self-procure Satellite Imagery from Established/ Verified Sources⁴, and also ground truthing and collection of spatial attributes⁵. Currently, the TCPD-GoUK, is in the process of acquiring 80 CM Resolution Satellite Imagery from the Survey of India, through means of Intra Government Collaboration, for some of the Identified ULB Towns, which are part of this Assignment. An Updated List of such Towns will be shared with the Successful Bidder(s) for their respective clusters, along with the Procured Satellite Imagery to provide a Jumpstart for the purpose of Base Map Creation and Updation, by the Successful Bidder. For the purpose Vetting (by TCPD- GoUK) of Ground Data/ Attributes collected by the MPC during Ground Truthing and Field Surveys, (Physical) Paper Maps of scale 1:1000, is to be used by the MPC. For Contoured Sites/ Hilly Terrain Digital Elevation Modelling and Drone Surveys will remain a key component of the entire process, in order to achieve efficacy and accuracy of work in a time bound manner. A methodology needs to be prepared for the selection and procurement of suitable satellite imagery and the MPC have to seek vetting of TCPD- GoUK before commencement of Base Map Preparation. Prepared Base Maps need vetting of TCPD- GoUK before adoption and progress to onward stages of Work.

5.2.1.3. Urban Database Creation

Sector-wise data collection and data analysis report of 24 socio-economic and physical aspects as outlined in the [Section 5.3](#) is to be done by the MPC. An indicative format of attributes to be incorporated in the GIS database is provided in the AMRUT Design and Standards (accessible at URL [http://amrut.gov.in/upload/uploadfiles/files/designandStandards_AMRUT\(3\).pdf](http://amrut.gov.in/upload/uploadfiles/files/designandStandards_AMRUT(3).pdf)). In addition, primary surveys such as land use survey, traffic and transport survey, household surveys, etc. are to be undertaken as per the Applicable Provisions of Relevant Acts and Legislations of State of Uttarakhand.

5.3. Scope of Work

⁴ as Approved in the GIS based Master Plan Formulation under AMRUT Scheme, subject to availability of Data

⁵ as per AMRUT Design and Standards for the preparation of Base Map

5.3.2. Components of the Master/ Development Plan

The Master/ Development Plan being prepared will include, but not be limited to, the following aspects:

- 5.3.2.1. *Location, physiography, linkages, climate, regional setting*
- 5.3.2.2. *Historical background.*
- 5.3.2.3. *Brief description of Town, review of existing Master/ Development Plan (if any) and issues related to implementation of (existing) Master/ Development Plan.*
- 5.3.2.4. *Spatial growth of the town & (future growth) direction, incorporation of new and potential areas.*
- 5.3.2.5. *Demographic data including population (urban/ rural, ward-wise, male and female), literacy rate, growth of population, workers and non-workers, economic base, participation rate occupational structure, etc. shall be collected – as per current and past Census data.*
- 5.3.2.6. *Employment generating activities – existing and potential.*
- 5.3.2.7. *Industries—existing and potential, their nature, employment etc.*
- 5.3.2.8. *Commercial activities including retail and wholesale business, warehousing and godowns, mandis, rural markets, etc.*
- 5.3.2.9. *Government and semi government offices and government reserved areas.*

- 5.3.2.11. *Medical facilities (Govt. /Private) including hospitals, dispensaries, primary health centers, veterinary, ayurvedic, homeopathic, etc.*
- 5.3.2.12. *Social, cultural and other religious activities.*
- 5.3.2.13. *Other community facilities including cremation and burial grounds.*
- 5.3.2.14. *Physical infrastructure – electricity, water supply, sewerage, solid waste management, telephone, etc.*
- 5.3.2.15. *Recreational facilities including parks, open spaces, mela grounds and playgrounds, semi-public recreation, etc.*
- 5.3.2.16. *Agricultural use including dairies, orchards, nurseries, reserved forests, etc.*
- 5.3.2.17. *Transport infrastructure and Circulation facilities including road infrastructure, airport/railway stations and yards, road transport terminals, stands for buses and trucks, parking, etc.*
- 5.3.2.18. *Proposals/ commitments by Central/ State Government concerned Local Body, development authority, etc.*
- 5.3.2.19. *All vacant lands under government ownership (non-built).*
- 5.3.2.20. *All categories of forest lands.*
- 5.3.2.21. *Places of tourist and heritage importance both natural and manmade including natural areas, fairs and festivals, etc.*

- 5.3.2.22. *Legislative and Institutional Framework, institutional structure – municipal bodies, development authority, etc.*
- 5.3.2.23. *Action Plan, identification of projects and phasing, resource mobilization.*
- 5.3.2.24. *Superimposition and digitization of Cadastral Map/ Municipal Wards to the extent of Individual Khasra Nos⁶/ Ward Nos. with Property Nos.*
- 5.3.3. Spatial attribute collection and vetting of Base Map
- 5.3.4. The MPC needs to procure Very High-Resolution Satellite (VHRS) Imagery/ Data, that has a 30 CM (or better) resolution, meaning each pixel stands for a 30 CM x 30 CM (or better) area on the ground, and prepare Base Maps at a scale of 1:4000 for medium towns and 1:2000 for small towns as per specified framework of the TCPD- GoUK. Refer [Section 5.2.1.1](#) titled [Formulation of Master/ Development Plan](#) for Details. The layer-wise spatial attributes will be collected from the field by the MPC and the draft final base map will be updated which can be used as an input to the plan formulation.
 - 5.3.4.1. *Urban and socio-economic data is an input to be used to study the existing situation, identification of issues and formulation of proposals and projections. While most of the data to be collected is secondary, some crucial data may be required to be collected from primary surveys. Data analysis will be presented sector-wise, in the form of chapters in the draft Master/ Development Plan document. The final chapter structure of the Master/ Development Plan will be as per Applicable Provisions of Relevant Acts and Legislations of State of Uttarakhand.*
 - 5.3.4.2. *Databases to be created and surveys to be conducted – including land use survey, socio-economic, traffic and transportation and other surveys will be as per the Applicable Provisions of Relevant Acts and Legislations of State of Uttarakhand.*
- 5.3.5. Formulation of Master/ Development Plan
 - 5.3.5.1. *The horizon year for the draft Master/ Development Plan will be 2043.*
 - 5.3.5.2. *The draft Master/ Development Plan will specify the aims and objectives for the development of the city/ town.*
 - 5.3.5.3. *Contents of the draft Master/ Development Plan document will be as per URDPFI Guidelines and statutory provisions of the relevant Act.*
 - 5.3.5.4. *Master Plan preparation for Small Towns will be undertaken at a Scale of 1:2000, without any further need to prepare Zonal Development Plans*
 - 5.3.5.5. *Master Plan preparation for Medium Towns will be undertaken at a Scale of 1:4000, with further need to prepare Zonal Development Plans at a scale of 1:2000 under the scope of this assignment itself.*

⁶ For all such Identified ULB Towns wherein Digitized Records of the Revenue Department are available.

5.4. Deliverables (Stage Wise Sequence of Tasks)

5.4.1. Brief Description of the Assignment:

Town and Country Planning Department, Govt. of Uttarakhand intends to hire Master Plan Consultant(s) for “GIS based Master/ Development Plan Formulation” for identified ULB Towns of Uttarakhand. The selected Consultancy Firm shall be required to generate all the data sets as per AMRUT Design Standards and/or with suitable modifications as directed by the O/o CTCP, TCPD- GoUK.

Following activities are to be covered under the Assignment:

- 5.4.1.1. **REVIEW** of previously prepared Master/ Development Plan (if any), and GIS Based Master/ Development Plan **FORMULATION** for development areas with special emphasis on Urban infrastructure and Investment plan– keeping in view the potential led development envisaged. The key objective(s) of this exercise are: -
- 5.4.1.2. Determination of the Carrying Capacity of the Identified Development Areas, considering its location (in an Eco-sensitive/ Seismic Zone/ any Other Fragile Parameter) and should be based on assumptions of a decent and adequate quality of life, based on the acceptable / appropriate infrastructure, amenities and the available natural resources.
- 5.4.1.3. Assessment of the Potential for Industrial and Tourism Led Development including projection of future employment.
- 5.4.1.4. Estimation of the Population and Activity Level that can be supported in context to Levels/ Tiers of Urban Development (Density, location, land-uses, scale, etc.).
- 5.4.1.5. Preparation of a Comprehensive Report that analyses the status, suitability and sufficiency of various infrastructural facilities, utilities, and natural resources available and planned for the area.
- 5.4.1.6. Facilitation of High-Quality Urban Infrastructure to improve the quality of life.
- 5.4.1.7. Conservation and Revitalization of the System// Network of Water Bodies.
- 5.4.1.8. Urban Renewal Schemes for Core (old built-up area), Heritage and Sensitive areas.
- 5.4.1.9. Suggestions regarding Self-Financing Projects to improve the infrastructure.
- 5.4.1.10. Suggestive Measures regarding Urban Design Guidelines and Development Controls.
- 5.4.1.11. Suggestive Sectoral Policy Interventions and Plan Implementation Mechanism.

5.4.2. OBJECTIVES of the Assignment

- 5.4.2.1. The Work envisages preparation of GIS Based Master/ Development Plan(s) for the Identified Development Areas and aims at sustainable development evolving development vision and road map for balanced growth of the region by regulating future spatial development to be envisaged for the horizon year, 2043. The Master/ Development Plan will be a statutory instrument as it conforms to the provisions stated as per the relevant Act.
- 5.4.2.2. The Specific Objectives of the Assignment are as under:

- A. *The Master/ Development Plan for project area should be prepared integrating the road pattern and land uses proposed for the **HORIZON YEAR 2043**.*
- B. ***Road Map for Regulating Future Growth:** Prepare a Master/ Development Plan in accordance with the Applicable Provisions of Relevant Acts and Legislations of State of Uttarakhand envisaging a Land use Plan, considering potential growth and emerging development pressure and provide a road map/strategy for regulating future growth in a planned manner for the development area.*
- C. ***Environmental Sustainability:** Prepare a Master/ Development Plan avoiding potential adverse implications on existing environmental resources including rich agricultural hinter land with many canals and river, forest areas, sanctuaries, heritage precincts, bio-diversity areas, water bodies, in compliance with all related legislations of Government of India. Master/ Development Plan should be supported by strategic environmental plan.*
- D. ***Location Plan:** Through a realistic estimated demand, prepare a Master/ Development Plan, which suggests appropriate locations for future employment areas, new growth centers and provides for adequate land for key public infrastructure including hierarchy of roads, modern, feasible and efficient public transportation system, transportation terminals, trunk water supply system, waste water and solid waste management system and disposal areas, trunk power supply and key institutional, social and recreational facilities .*
- E. ***Transportation Plan based on Land Use–** Transportation Model to guide development: Prepare a Master/ Development Plan, which focuses on transportation plan and infrastructure, assessed through detailed field studies and surveys, realistic estimation of transportation demand in the base year and future travel demand pattern based on land-use transportation model within the Project Area.*
- F. ***Participatory and Consultative Plan:** Prepare a Master/ Development Plan, which combines perceptions and visions of various stakeholders including civil society of both urban and rural areas, agriculture community, industrialists, traders, elected representatives, academicians, government and non- governmental organizations.*
- G. ***Capital Investment Plan and Resource Mobilization Strategies (Business Plan):** Prepare a Master/ Development Plan, which identifies key infrastructure projects, estimated capital investment, resource mobilization strategies and realistic implementation plan. Prepare an exclusive document on "Working Plan" to facilitate Authority, in implementation of short-, medium and long-term projects that are translated from the Master/ Development Plan. The Working Plan shall help Authority for accessing funding for various infrastructure projects.*
- H. ***Planning Strategies on Conservation** of ecologically sensitive zones and archeological protection areas.*
- I. ***Evaluation of Housing strategies** and plan for socio-economic condition wise future housing need and stock.*

- J. **Urban Environmental Plan** to conserve the ecosystem and suggest ways and means to contain pollution.*
- K. To prepare **Water Conservation Strategy for Urban Settlements** (being undertaken for Master Plan Formulation), with a view to cater to Present and Horizon Year Requirements through Demand and Supply Side Management separately.*

5.4.3. Areas of Interest for Identified ULB Town(s)

- 5.4.3.1. ULB Specific Assignment Area Delineation Exercise for the Formulation of GIS Based Master Plans will be executed by the Selected MPC (for each ULB Town) for the Purpose of Preparation of a Shapefile (in File Formats *.shp, *.shx and *.dbf), comprising Geospatial Vector Data of Attributes as enumerated in AMRUT Design and Standards.*
- 5.4.3.2. This Shapefile after vetting and approval of the TCPD- GoUK would comprise the Area of Interest and be utilized by the MPC in onward progress of the Master Plan Assignment.*

5.4.4. Stage wise Deliverables under the Assignment

- 5.4.4.1. To meet the above objectives, the preparation of the Master/ Development Plan for the Area of Interest will be carried out in Five Stages as follows:*
 - a) **Stage-1:** Existing Situation Assessment (Spatial attribute collection, ground truthing, and vetting of base map, collection of socio-economic data)
 - b) **Stage-2:** Vision-2043 and Strategy Formulation
 - c) **Stage-3:** Final Spatial Strategy and Preliminary Master/ Development Plan
 - d) **Stage-4:** Draft Master/ Development Plan including detailed Zoning Regulations and development controls.
 - e) **Stage-5:** Integration of Formulated Master Plan (GIS Data) with Web- GIS portal and/or Mobile Application as prescribed by the TCPD-GoUK
 - f) **Stage-6:** Assistance to TCPD- GoUK in finalization of Draft Master/ Development Plan and notification of final Master/ Development Plan, Zonal Development Plans, Zoning Regulations and action Plans.

5.4.5. Breakup of stages: -

- 5.4.5.1. **Stage-1:** Existing Situation Assessment (Spatial attribute collection, ground truthing, and vetting of base map, collection of socio-economic data)*

This stage represents the initiation of the Master/ Development Plan preparation. The scope of work in this stage is spatial attribute collection, ground truthing, and vetting of base map,

collection of socio-economic data and comprehensive assessment of the existing situation and identification of the general trends of socio-economic development at the regional level. Furthermore, the stage will concentrate on the assessment of available data and information and accuracy of this data in terms of quantity, quality and its adequacy for the purpose of the preparation of the intended Master/ Development Plan. Therefore, the Consultants shall collect all available data and conduct all necessary surveys and researches as described in this task. **The scope of work of this stage shall be accomplished in Four (4) Tasks as follows:**

a) Task– 1: Preparation of Inception report

This task shall include preparation of work methodology, mobilization of team, approval of methodology for preparation of base map/existing land use map through open source/satellite imagery procured/ drone survey, work plan and town profile.

IMPORTANT NOTE: Placement of Master Plan Consultancy Team at Site Office and Headquarters, TCPD- GoUK, Dehradun:

For the purpose of Preparation of Master/ Development Plan, the MPC shall extend all support for regular review of Master/ Development Plan work by TCPD- GoUK through establishment of Following Offices and Deployment of Man Power.

- I. The MPC shall place **FULL TIME**, the **CORE TEAM** having Three Key Professionals mentioned at [Section 7.2.1.3](#) (as part of Team Composition), at the **Project Office** to be opened at Headquarters, i.e., O/o CTCP, Town and Country Planning Department, Dehradun and the **TERTIARY TEAM** having Nine Key Professionals mentioned at [Section 7.2.1.3](#) (as part of Team Composition) will be made available by the MPC, at the Project Office, as per requirement of the Project, and/or upon the instructions of the TCPD-GoUK, when desired by the latter to interact with the specified Nine Key professionals

- 7.2.2.3. Wrongful/ Deceitful Self Evaluation/ Self Declaration/ submission of Information by the Bidder will have an adverse effect upon the Impression of the Bidder in the eyes of TCPD- GoUK and may also lead to Disqualification, if decided by the Proposal Evaluation Committee during Evaluation Stage*
- 7.2.2.4. Prospective Bidders are also advised that the TCPD- GoUK would prefer/ give Importance in Descending order to Bidders who have Experience in Master Planning of Towns in*
- 7.2.2.5. Both in Hill Area and International Setting*
- 7.2.2.6. International Setting (Abroad) and*
- 7.2.2.7. Hilly Areas (International or Domestic Setting)*
- 7.2.2.8. The Proposal Evaluation Committee would prepare an Evaluation Score Sheet, for each of the Bidders, containing Score (Numbers) rounded off up to One Digit after Decimal for the Pre-Qualification (Stage 1), Technical Bid Proposal (Stage 2) and Financial Proposal (Stage 3).*

7.2.3. Date and Time of opening of e- Bid Proposal(s), will be separately communicated through Website (Notice) Publication upon the Website of the Town and Country Planning Department, Govt. of Uttarakhand (<https://tcp.uk.gov.in>). Bidders through their Authorized Representatives (Carrying an Authority Letter, in Original, with Specimen Signature) may attend the Meeting called regarding Opening of e- Bid Proposal(s)

7.2.4. Date and Time of (Website) Publication of Pre-Qualification Score will also be communicated to all Bidders (whose bids have been found responsive), via email.

7.2.5. Bid Applicants are hereby informed that Pre-Qualification Proposals will be processed/ accepted/ admissible only for those Clusters, where a Minimum of THREE (3) Unique Bid Applicants have applied for Stage 1 Evaluation: Pre-Qualification Proposal.

7.3. Procedure for Stage 2 Evaluation: Technical Bid Proposal

7.3.1. Assignment specific Digital copies of Proposal (both Editable and Non-Editable) are to be carefully uploaded at the designated webpage/ window of the e-Tender Platform

7.3.2. Bidders are to be evaluated on the basis of their Assignment specific Digital copies of Proposal (Reports, Flyers, Posters, Handouts, etc.), Presentation and In Person Interaction (Individual Specific Evaluation) with the Entire Team of Twelve Key Professionals (during the Presentation). 4 sets of Physical Copies of the uploaded Proposal can be carried by the Presentation Team, for distribution during the said Presentation Meeting Window

7.3.3. Bid Applicants, would be called in for Presentations (Schedule to be informed at a later Stage). The TCPD- GoUK expects to meet the Entire Team of Three Key Professionals

(showcased in the Pre-Qualification Proposal) of the Bidder during scheduled Presentation(s) for Interaction and Evaluation of Technical Proposals.

- 7.3.4. Non-Availability of One/ Few Members of the Entire Team of Three Key Professionals during the Technical Proposal Presentation Stage may attract negative attention of the Proposal Evaluation Committee
- 7.3.5. Bidders are clarified that Technical Proposal, being specific to the Context, Setting and Scale of Identified ULB Towns as part of Specified Cluster, it is likely that the Technical Proposals and/or Presentations for Different Clusters of Identified ULB Towns, as grouped by the TCPD- GoUK may require/ necessitate variation in Approach and Methodology of Prospective Bidders willing to undertake formulation of Master Plans for any given Cluster. Therefore, Bidders are free to Derive, Design, Draw and Devise different Approaches, Understanding of ToR and devise a tailor-made Work Plan for each of the said Clusters floated for Assignment. It is therefore suggested (rather expected) from Bidders to showcase customized Technical Proposals and/or Presentations for Different Clusters of Identified ULB Towns, if deemed fit to the Bidders.
- 7.3.6. Bidders are advised to keep their content of Technical Proposal strictly aligned to the specific consultancy assignment they intend to Bid for, in their capacity as Master Plan Consultants. It is also expected that Bidders establish a Coordinated Relation between their Technical Proposals, submitted beforehand and their Technical Presentations, likely to be made at an Advanced Stage.
- 7.3.7. Assignment specific Technical Proposal may contain a Maximum of 10 Simplex Color A4 or Smaller Size Pages, arranged as per Discretion of the Bidder in the form of Reports, Flyers, Posters, Handouts, etc. or a MIX of the same (Reports, Flyers, Posters, Handouts, etc.)
- 7.3.8. Likewise, Customized Technical Presentations, tailor made to any specific Cluster of identified ULB Towns, should not exceed 15 Slides and 20 Minutes of Presentation time, per Proposal, to be followed by a 15 Minute Interaction with the Presenter Team of Three Key Professionals as outlined in of the RFP Document.

7.3.9. Following are the Details of Scoring and Evaluation Methodology Specific to Computation of Technical Score for Shortlist/ Selection of Successful Bidder amongst Bidders

Table 8: Technical Score Computation- Details of Scoring and Evaluation Methodology for Shortlist/ Selection of Successful Bidder amongst Bidders

Stage No.	Proposal Nomenclature (A)	Sub Head (B)	Actual Max. Marks (C)	Weighted Max. Marks (D)
Stage 1	Pre-Qualification Proposal			80
		For all Qualifying Bidders, Marks carried forward from Stage 1, i.e., Pre- Qualification	200	
Stage 2 ²²	Technical Proposal: Tailor Made Proposal + Presentation + In Person Interaction		200 (Sub Division as Below)	20
Stage 2a		Tailor Made Proposal	25	
Stage 2b		Understanding the ToR	35	
Stage 2c		Methodology Suggested	40	
Stage 2d		Adequacy of the Proposed Work Plan	40	
Stage 2e		Interaction with Core Team of 03 Key Professionals	60 (3 Experts x 20 Marks)	

7.3.10. Note: The Technical Bid Score (Maximum 100 Marks) would comprise summation of Pre-Qualification Marks (80% Weightage) and the Technical Proposal Marks (20% Weightage)

7.3.11. For any Bid applicant, to qualify for opening of Financial Bids, it is a mandatory qualification criterion that the Bid Applicant successful achieves a minimum of 70% Marks at the Technical Bid Score stage

7.3.12. Deviation beyond the said extent (Higher and Lower Limits) is outside the purview of the Proposal Evaluation Committee

7.3.13. Date and Time of (Website) Publication of Technical Score will also be communicated to all (Evaluated) Bidders, via email.

7.4. Procedure for Stage 3 Evaluation: Financial Proposal

7.4.1. The Project Client (TCPD- GoUK) has floated Seven Separate RFP Tender(s) for Public Procurement of Consulting Service(s) by the Town and Country Planning Department, Govt. of Uttarakhand towards Formulation of GIS Based Development/ Master Plan(s) for

²² Total Marks for Stage 2, comprise Sum of Marks for Stage 2a, 2b, 2c and 2d

Seven Clusters comprising Identified ULB Towns of Uttarakhand. These seven Tenders are identical with respect to the Various Aspects of the RFP Document. Therefore, opening of Financial Bid and subsequent Award of Work on the basis of calculated Combined Score will be at discretion of the TCPD-GoUK. The same will be done Cluster Wise. Indicative and Explanatory details regarding Sequencing between Cluster 1/ 2/ 3/ 4/ 5/ 6 and 7 are being dealt with in [Section 7.6](#) of this RFP Document. As per evolving scenario during this Public Procurement via QCBS Tendering, the Project Client reserves its right to change/ amend/ modify the conditions enumerated in [Section 7.6](#) of this RFP Document, in public interest.

7.4.2. Financial Proposals of only those shortlisted Bidders who have attained the Min. Qualifying Marks for the Technical Bid Score at Stage 2, will be further Processed (for Scrutiny and Evaluation). Financial Proposals will be opened Cluster Wise for all valid and responsive bids in a Single Cluster and Work shall awarded on the basis of Combined Score, before proceeding to opening of Bids for another cluster.

7.4.3. Bid Applicants are hereby informed that Financial Bid Proposals will be processed/ opened only for those Clusters, where a Minimum of THREE (3) Unique Bid Applicants have qualified the Stage 2 Evaluation: Technical Proposal.

7.4.4. Date and Time of opening of Financial Bid Proposal, will be separately communicated by the Project Client through Public Notice (Website Publication) on the designated website. Bidders through their Authorized Representatives (Carrying an Authority Letter, in Original, with Specimen Signature) may attend the Meeting called regarding Opening of Financial Bid Proposal

7.4.5. Methodology for Calculation of Financial Score, FS_i will be as follows

$$FS_i = (100 * FO_{lowest}) / FO_{Bidder}$$

Where FS_i = Financial Score of any Given Bidder;

FO_{lowest} = Financial Offer of the Lowest Bidder amongst all Bidders whose Financial Offers have been opened

FO_{bidder} = Financial Offer of the Bidder whose Financial Score is to be determined, amongst all Bidders whose Financial Offers have been opened

7.4.6. Financial Score (for Financial Bids opened by Project Client) will also be communicated to all Successful Bidders, via email and Website Publication.

7.5. Procedure for Stage 4 Evaluation: Combined Score

7.5.1. The Proposal Evaluation Committee would calculate/ compute/ derive the Combined Score (out of 100 Marks) on the Basis of 80% Weightage for Technical Score (including Pre-Qualification Score) and another 20% Weightage for Financial Score for the purpose of Preparation of Final Score List of Multiple Bids received from Multiple Bidders, prior to Selection of Specific Bidders for award of Consultancy Assignments for Specific Cluster.

7.5.2. Combined Score (for Financial Bids opened by Project Client) will also be communicated to all Successful Bidders, via email and Website Publication.

7.6. Indicative and Explanatory details regarding Sequencing of Financial Bid opening between Cluster 1/ 2/ 3/ 4/ 5/ 6 and 7

7.6.1. Financial Bid proposals are to be opened Cluster Wise. Sequence of Opening Financial Bid Proposals (submitted by Bid Applicants) and subsequent activities thereof (Computation of Combined Score and thereafter Award of Work), prior to moving towards another Cluster, for the same cycle of activities mentioned in this paragraph, will follow the following principles of selection, unless required otherwise

7.6.1.1. *First Opening of Financial Bids (and activities thereof) will be for the Cluster having the Least Number (Minimum Three) of Qualified Bidders possessing a Combined Score.*

7.6.1.2. *The Bidder who has the Highest Combined Score (for the said Cluster) will be awarded the Assignment, and his/ her/ their Successful Bid proposals for Other Clusters, automatically stands withdrawn (subject to conditional applicability of conditions in [Section 4.25](#) of this RFP Document, for dealing scenario regarding **Single Bid Applicant bidding for Multiple Clusters** being tendered simultaneously but separately by the Project Client).*

7.6.1.3. *In case Two or more Clusters have an Equal (Least/ Minimum Three) Number of Qualified Bids, then the First Opening of Financial Bids (and activities thereof) will be undertaken for the Cluster having lower Numeric Value amongst Cluster 1 to 7. E.g., If Cluster Nos. 2, 5 and 6 all have 3 Successful Bid Proposals (possessing a Combined Score), then Cluster No 2 will be taken up at the foremost for award of Work.*

7.6.1.4. *In case the Combined Score (up to One Digit after Decimal) for a Specific Cluster is a tie amongst Multiple Bidders, then the following preference hierarchy of selection will be adopted to select the Successful Bidder*

7.6.1.5. **Preference 1:** *Bidder who has attained the Higher Financial Score amongst Bidders having Equal Combined Score*

7.6.1.6. **Preference 2:** *In case of a tie, once again at Preference 1, Bidder who has attained the Higher Technical Score amongst Bidders having Equal Financial Score*

7.6.1.7. **Preference 3:** *In case of a tie, once again at Preference 2, Bidder who has attained the Higher Technical Proposal Marks amongst Bidders having Equal Technical Score*

7.6.1.8. **Preference 4:** *In case of a tie, once again at Preference 3, Bidder who has attained the Higher Pre-Qualification Score amongst Bidders having Equal Technical Proposal Score*

7.6.1.9. **Preference 5:** *In case of a tie, once again at Preference 4, then all eligible and qualified Bidders (Bidding for the same Cluster) would be allowed to submit a Revised Financial Offer (not more than their Initial Financial Proposal), after a*

Recess Time Period of 10 Mins, at the Venue Itself. Collusion amongst Tied Bidders, is strictly prohibited and if Tied Bidders are found to be acting with vested motives, detrimental to the Interests of TCPD- GoUK, then TCPD- GoUK reserves the right to cancel/ oust any specific or all Tied Bids of Various Bidders for the said Cluster.

7.6.1.10. *Thereafter the entire process will be repeated as per [Section 7.6.1.1](#), until All/ Maximum Clusters get awarded to a unique/ separate Bidder.*

8. Standard Forms for Submission of Information: Pre-Qualification Proposal Docket

2.5.2 No Breach of Contract

The failure of a Party to fulfill any of its obligations under the contract shall not be considered to be a breach of, or default under this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event (a) has taken all reasonable precautions, due care and reasonable alternative measures in order to carry out the terms and conditions of this Contract, and (b) has informed the other Party as soon as possible about the occurrence of such an event.

2.5.3 Extension of Time

Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

2.5.4 Payments

During the period of their inability to perform the Services as a result of an event of Force Majeure, no additional payment will be given however a time extension in the project may be given.

2.6 Termination

2.6.1 By the Client

The Client may terminate this Contract, by not less than thirty (30) days' written notice of termination to the Consultants, to be given after the occurrence of any of the events specified in paragraphs (a) through (d) of this Clause 2.6.1 and sixty (60) days in the case of the event referred to in (e):

- (a) if the Consultants do not perform their obligations under this Contract, within thirty (30) days of receipt after being notified
- (b) if the Consultants become insolvent or bankrupt;
- (c) if, as the result of Force Majeure, the Consultants are unable to perform a material portion of the Services for a period of not less than sixty (60) days; or
- (d) if the Consultant, in the judgment of the Client has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

For the purpose of this clause:

“Corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the selection process or in contract execution.

“Fraudulent practice” means a misrepresentation of facts in order to influence a selection process or the execution of a contract.

- (e) if the Client, in its sole discretion and for any reason whatsoever, decides to terminate this Contract.

2.6.2 By the Consultants

The Consultants may terminate this Contract, by not less than thirty (30) days' written notice to the Client, such notice to be given after the occurrence of any of the events specified in paragraphs (a) and (b) of this Clause 2.6.2:

- (a) if the Client fails to pay any money due to the Consultants pursuant to this Contract and not subject to dispute pursuant to Clause 7 hereof within forty-five (45) days after receiving written notice from the Consultants that such payment is overdue; or
- (b) if, as the result of Force Majeure, the Consultants are unable to perform a material portion of the Services for a period of not less than sixty (60) days.

2.6.3 Payment upon Termination

Upon termination of this Contract pursuant to Clauses 2.6.1 or 2.6.2, the Client shall make the following payments to the Consultants:

- (a) remuneration pursuant to Clause 6 for Services satisfactorily performed prior to the effective date of termination;
- (b) except in the case of termination pursuant to paragraphs (a) and (b) of Clause 2.6.1, reimbursement of any reasonable cost incident to the prompt and orderly termination of the Contract.

2.6.4 Failure and Termination

In case of delay in the conduct of Consultancy services within the time fixed or in the event of repudiation of the contract, the Client reserves the right to recover damage for Breach of contract as indicated below:

"To recover from the Consultant as agreed liquidated damages including administration expenses and not by way of penalty, a sum equivalent to 0.5% (half percent) of total contractual agreement, which the Consultant has failed to deliver within the period fixed for delivery for each week or part thereof during which delivery is in arrears subject to an overall ceiling of 10% of the total contract price".

3. OBLIGATIONS OF THE CONSULTANTS

3.1 General

The Consultants shall perform the Services and carry out their obligations hereunder with all due diligence, efficiency and economy, in accordance with generally accepted professional techniques and practices, and shall observe sound

management practices, and employ appropriate advanced technology and safe methods. The Consultants shall always act, in respect of any matter relating to this Contract or to the Services, as faithful advisers to the Client, and shall at all times support and safeguard the Client's legitimate interests in any dealings with Sub-consultants or third parties.

3.2 Conflict of Interests

3.2.1 Consultants Not to Benefit from Commissions, Discounts, etc.

The remuneration of the Consultants pursuant to Clause 6 shall constitute the Consultants' sole remuneration in connection with this Contract or the Services, and the Consultants shall not accept for their own benefit any trade commission, discount or similar payment in connection with activities pursuant to this Contract or to the Services or in the discharge of their obligations under the Contract, and the Consultants shall use their best efforts to ensure that the Personnel, any Sub-consultants, and agents of either of them, similarly shall not receive any such additional remuneration.

3.2.2 Consultants and Affiliates not to be Otherwise Interested in Project

The Consultants agree that, during the term of this Contract and after its termination, the Consultants and their affiliates, as well as any Sub-consultant and any of its affiliates, shall be disqualified from providing goods, works or services (other than the Services and any continuation thereof) for any project resulting from or closely related to the Services.

3.2.3 Prohibition of Conflicting Activities

Neither the Consultants nor their Sub-consultants nor the Personnel shall engage, either directly or indirectly, in any of the following activities:

- (a) during the term of this Contract, any business or professional activities which would conflict with the activities assigned to them under this Contract; or
- (b) after the termination of this Contract, such other activities as may be specified in the SC.

3.3 Confidentiality

The Consultants, their Sub-consultants, and the Personnel of either of them shall not, either during the term or within two (2) years after the expiration of this Contract, disclose any proprietary or confidential information relating to the Project, the Services, this Contract, or the Client's business or operations without the prior written consent of the Client. In this regard, the Master Plan Consultants (MPC) would have to execute a Standard Non-Disclosure Agreement (prior to commencement of work) with the TCPD- GoUK, binding them with penal clauses in case of lapses on behalf of the MPC.

3.4 Insurance to be taken out by the Consultants

The Consultants (a) shall take out and maintain, and shall cause any Sub-consultants to take out and maintain, at their (or the Sub-consultants', as the case may be) own cost but on terms and conditions approved by the Client, insurance against the risks, and for the coverage, as shall be specified in the SC; and (b) at the Client's request, shall provide evidence to the Client showing that such insurance has been taken out and maintained and that the current premiums have been paid.

3.5 Consultants' Actions Requiring Client's Prior Approval

The Consultants shall obtain the Client's prior approval in writing before taking any of the following actions:

- (a) entering into a subcontract for the performance of any part of the Services,

(b) appointing such members of the Personnel not listed by name in Appendix C (“Key Personnel and Sub-consultants”), and

(c) any other action that may be specified in the SC.

3.6 Reporting Obligations

The Consultants shall submit to the Client the reports and documents specified in Appendix B in the form, in the numbers, and within the periods set forth in the said Appendix.

3.7 Documents Prepared by the Consultants to be the Property of the Client

All plans, drawings, specifications, designs, reports and other documents and software submitted by the Consultants in accordance with Clause 3.6 shall become and remain the property of the Client, and the Consultants shall, not later than upon termination or expiration of this Contract, deliver all such documents and software to the Client, together with a detailed inventory thereof. The Consultants may retain a copy of such documents and software. Restrictions about the future use of these documents, if any, shall be specified in the SC.

4. CONSULTANTS' PERSONNEL

4.1 Description of Personnel

The titles, agreed job descriptions, minimum qualifications and estimated periods of engagement in the carrying out of the Services of the Consultants' Key Personnel are described in Appendix C. The Key Personnel and Sub-consultants listed by title as well as by name in Appendix C are hereby approved by the Client.

4.2 Removal and/or Replacement of Personnel

(a) No changes shall be made in the Key Personnel. In case it becomes incumbent to change any one of key personnel, the Consultants shall forthwith provide as a replacement a person of equivalent or better qualifications with approval of the Client.

(b) If the Client finds that any of the Personnel have (i) committed serious misconduct or has been charged with having committed a criminal action, or (ii) have reasonable cause to be dissatisfied with the performance of any of the Personnel, then the Consultants shall, at the Client's written request specifying the grounds thereof, forthwith provide as a replacement a person with qualifications and experience acceptable to the Client.

(c) The Consultants shall have no claim for additional costs arising out of or incidental to any removal and/or replacement of Personnel.

5. OBLIGATIONS OF THE CLIENT

5.1 Assistance and Exemptions

The Client shall use its best efforts to ensure that the Government shall provide the Consultants such assistance and data as specified in the SC.

5.2 Change in the Applicable Law

If, after the date of this Contract, there is any change in the Applicable Law with respect to taxes and duties which increases or decreases the cost of services rendered by the Consultants, then the remuneration and reimbursable expenses otherwise payable to the Consultants under this Contract shall be increased or decreased accordingly and corresponding adjustments shall be made to the ceiling amounts referred to in Clause 6.2.

5.3 Services and Facilities

The Client shall make available to the Consultants the Services and Facilities listed under Appendix E.

6. PAYMENTS TO THE CONSULTANTS

6.1 Lump Sum Remuneration

The Consultant's total remuneration shall not exceed the Contract Price and shall be a fixed lump sum including all staff costs, Sub-consultants' costs, printing, communications, travel, accommodation, and the like, and all other costs incurred by the Consultant in carrying out the Services described in Appendix A. Except as provided in Clause 5.2, the Contract Price may only be increased above the amounts stated in clause 6.2 if the Parties have agreed to additional payments in accordance with Clause 2.4.

6.2 Contract Price

The price payable in local currency is set forth in the SC.

6.3 Payment for Additional Services

For the purpose of determining the remuneration due for additional services as may be agreed under Clause 2.4, a break-up of the lump-sum price is provided in Appendices D and E.

6.4 Terms and Conditions of Payment

Payments will be made to the account of the Consultants and according to the payment schedule stated in the SC. First payment shall not be released till the performance guarantee is executed by the Consultant. Subsequent payments shall be made in accordance with the conditions listed in the SC on submission of an invoice by the Consultants.

7. SETTLEMENT OF DISPUTES

7.1 Amicable Settlement

The Parties shall use their best efforts to settle amicably all disputes arising out of or in connection with this Contract or its interpretation.

7.2 Dispute Settlement

Any dispute between the Parties as to matters arising pursuant to this Contract that cannot be settled amicably within thirty (30) days after receipt by one Party of the other Party's request for such amicable settlement may be submitted by either Party for settlement in accordance with the provisions specified in the SC.

13.1. Extract of UTTARAKHAND URBAN AND COUNTRY PLANNING AND DEVELOPMENT Act, 1973 (Chapter III) Master/ Development Plan

8. Civil survey of, and Master/ Development Plan for the development area:

¹ [(1) The Town and Country Planning Department or any other agency appointed / nominated by the State Authority, shall, in consultation with the concerned Local Development Authority, as soon as may be, prepare a Master/ Development Plan for the development area as directed by the State Authority.]

(2) The Master/ Development Plan Shall –

- a. Define the various zones into which the development area may be divided for the purposes of development and indicate the manner in which the land in each zone is proposed to be used (either after carrying out development thereon or otherwise) and the stages by which any such development shall be carried out; and
- b. Serve as a basic pattern of frame-work within which the Zonal Development Plans of the various zones may be prepared

(3) The Master/ Development Plan may provide for any other matter which is necessary for the proper development of the development area

9. Zonal Development plans. -

(1) Simultaneously with the preparation of the Master/ Development Plan or as soon as may be thereafter, the ¹ [Town and Country Planning Department or any other agency appointed/ nominated by the State Authority] shall proceed with the preparation of a zonal development plan for each of the zones into which the development area may be divided.

(2) A zonal development plan may-

- (a) contain a site-plan and use-plan for the development of the zone and show the approximate locations and extents of land uses proposed in the zone for such things as public buildings and other public works and utilities, roads, housing, recreation, industry, business, markets, schools, hospitals and public and private open spaces and other categories of public and private uses;
- (b) specify the standards of population density and building density;
- (c) show every area in the zone which may, in the opinion of the ²[Town and Country Planning Department or any other agency appointed/ nominated by the State Authority], be required or declared for development or re-development; and
- (d) in particular, contain provisions regarding all or any of the following matters, namely, -
 - (i) the division of any site into plots for the erection of buildings;
 - (ii) the allotment or reservation of land for roads, open spaces, gardens, recreation-grounds, schools, markets and other public purposes;
 - (iii) the development of any area into a township or colony and the restrictions and conditions subject to which such development may be undertaken or carried out;
 - (iv) the erection of buildings on any site and the restrictions and conditions in regard to the open spaces to be maintained in or around buildings and height and character of buildings;
 - (v) the alignment of buildings of any site;

- (vi) the architectural features of the elevation or frontage of any building to be erected on any site;
- (vii) the number of residential buildings which may be erected on plot or site;
- (viii) the amenities to be provided in relation to any site or buildings on such site whether before or after the erection of buildings and the person or Authority by whom or at whose expense such amenities are to be provided;
- (ix) the prohibitions or restrictions regarding erection of shops, work-shops, warehouses of factories or buildings of a specified architectural feature or buildings designed for particular purposes in the locality;
- (x) the maintenance of walls, fences, hedges or any other structural or architectural construction and the height at which they shall be maintained;
- (xi) the restrictions regarding the use of any site for purposes other than erection of buildings;
- (xii) any other matter which is necessary for the proper development of the zone or any area thereof according to plan and for the preventing buildings being erected haphazardly, in such zone or area.

10. Submission of plans to the State Government for approval. -

(1) In this section and in Sections 11, 12, 14 and 16 the word plan means the Master/ Development Plan as well as the zonal development plan for a zone

¹ [(2) Every plan shall, as may be after its preparation be submitted by the Town and Country Planning Department or any other agency appointed/ nominated by the State Authority to the State Authority, who shall submit the same to the State Government for approval. The State Government may either approve the plan without modification or with such modifications as it may consider necessary or reject the plan with directions to the State Authority for getting a fresh plan prepared according to such directions.]

11. Procedure to be followed in the preparation and approval Plan. -

(1) Before preparing any plan finally and submitting it to the State Government for approval, the ²[Town and Country Planning Department or any other agency appointed/ nominated by the State Authority] shall prepare a plan in draft and publish it by making a copy thereof available for inspection and publishing a notice in such form and manner as may be prescribed by regulations made in that behalf inviting objections and suggestions from any person with respect to the draft plan before such date as may be specified in the notice.

(2) The ³ [Town and Country Planning Department or any other agency appointed/ nominated by the State Authority] shall also give reasonable opportunity to every local authority within whose local limits and land touched by the plan is situated, to make any representation with respect to the plan.

¹[(3) After considering all objections, suggestions and representations, that may have been received by the Town and Country Planning Department or any other agency appointed/ nominated by the State Authority, the Town and Country Planning Department or any other agency appointed/ nominated by the State Authority shall finally prepare the plan and submit it to the State Authority for its onward submission to the State Government, with its recommendation and observation, if any, for approval.]

(4) Subject to the foregoing provisions of this section, the State Government may direct the ²[Town and Country Planning Department or any other agency appointed/ nominated by the State Authority] to furnish such information as that Government may require for the purpose of approving any plan submitted to it under this section.

12. Date of commencement of plan-

Immediately after a plan has been approved by the State Government, the ³[State Authority and the concerned Local Development Authority] shall publish in such manner as the State Government may specify, a notice stating that a plan has been approved and naming a place where a copy of the plan may be inspected at all reasonable hours and upon the date of the first publication of the aforesaid notice the plan shall come into operation.
